Member protected price or \$100-\$300 off your best researched offer

- **Recommend Finance options**

- **Service Contract**

If you drive more than 12000 miles per year this is something you should consider

- **Tire/Wheel Protection**

These items could be very costly, this is something you should strongly consider

- **Recommended Lease options**

- **Gap protection**

This covers any difference between what most insurance companies pay (should vehicle be stolen or totaled) and what you owe (less your deductible). In many cases this is already included, as a member you should ask if this is included.

- **Key replacement**

You must return both sets of keys when you return it. These keys can be extremely costly. This protection is well worth it.

As a member you receive 5% discount off these important products, and most parts/service as well!

- **Quick Video**

Make sure you take a 5-10 second video with (Your phone). Get yourself and salesperson in it, say dealerships name -Salesperson and the good experience you had. Now post it on (Your) Facebook. This gives you a date-time stamp, should you need to refer back to cancel items that are prorated, for reimbursement, recalls or service bulletins! 90% of consumers don't get this!
